

LATITUDE™ SM DIRECTIONAL LIGHTING

8-head Latitude SignalMaster model
(6-head model also available)

A complement to any warning solution

The Latitude™ SM is an addition to Federal Signal's family of SignalMaster™ directional lights. Equipped with three-LEDs per position and Federal Signal's Solaris® LED reflectors, the Latitude SM delivers an impressive optical performance for your vehicle. This directional light is available in 6-head and 8-head models suitable for many vehicle applications.

The Latitude™ SM includes the economy SignalMaster controller that allows for easy installation. The controller operates the built-in warning signals of left, right and center-out for rear traffic direction.

A simple concept you can depend on

Built to last, the Latitude was engineered with ROC (Reliable On-Board Circuitry™) technology. ROC eliminates failure points found in similar warning products.

Available for both interior and exterior applications, this sensible warning light is built with an innovative co-extrusion, polycarbonate housing for moisture resistance. Both interior and exterior brackets are available. Latitude SM is compatible with SignalMaster brackets. The Latitude SM comes with Federal Signal's standard five-year warranty.

Flashing models are available

The Latitude Series is also available in flashing models. These models are programmed with 10 eye-catching flash patterns. The flashing models are available in LED colors of Red, Blue, White or Amber. Visit www.fedsig.com for more information on flashing patterns models.

> Features

- Solaris® LED reflector technology
- ROC (Reliable Onboard Circuitry)™ technology
- Available in 6-head or 8-head models
- Three LEDs per position
- Interior and exterior mounting brackets are available; compatible with Federal Signal's SignalMaster brackets
- Innovative co-extrusion, polycarbonate housing provides moisture resistance
- Each model includes left, right and center-out warning signals
- Five-year LED warranty

> Approval

- SAE J845 Class 1, CAC Title 13 Class B
