

# Medeco T21 Key Management System

The Medeco T21 is a sophisticated stand-alone key management system which combines innovative RFID technology and robust design to provide small to medium sized businesses with the advanced management of 21 keys or keysets in a plug and play solution.

## Operation:

- Stand-alone Plug & Play solution with advanced RFID technology
- Touchscreen interface
- PIN access to designated keys or keysets which are individually locked in place
- Keys are securely attached using special security seals
- Simple to configure through the setup wizard
- No requirement for network connection or PC
- Concealed robust fixing points allow secure wall fixing
- Mains operated with optional battery backup
- 1,000 users per system
- System can save 250,000 audit events

## Technical Information:

- User, key and access rights administration
- Multilingual functionality
- Screen based audit trail and reporting capability or export via USB port
- 21 robust, long-live iFobs with security seals
- 21 locking receptors with LEDs
- Robust and compact steel housing eliminates exposed hinges and obvious access points
- Manual override and door release functions in case of emergency
- Audible alarms

## Warranty:

Medeco security locks warrants the T21 to be free of defects in material and/or workmanship for a period of one (1) year from date of original purchase.

## iFob

Once attached to an iFob with a robust security seal, individual keys or keysets are assigned to a specific user.

## Security Seal

The secure one-time security seal is cost-effective and simple to apply without the need for specific tools.

## Electronic Key Management – *Made Simple*

- Are your keys securely stored?
- Do you monitor who has access to keys?
- Are keys issued without proper authorizations?
- Are you concerned with keys being shared or lost?
- Would you like to reduce the risk of lost keys?
- Are you concerned with keys leaving your facility?

Make Sure the  
**RIGHT KEYS** are  
Available to the  
**RIGHT PEOPLE**  
at the **RIGHT TIME!**
