Ingrese la información de programación de sus Tarjetas.

Solo podemos realizar pruebas con el formato TRK-H10301.

- Seleccione un FC entre 0 y 255
- Selección en que numeración quiere que comience su lote de credenciales.

The screenshot shows the HID Origo Management Portal interface. A modal window is open with the title "Welcome! Would you like a Trial subscription?". Below the title, there is a toggle switch for "Opt-in for Trial Subscription?" which is currently turned on to "Yes". A red box highlights a table with three columns: "Format", "Facility code", and "Credential number". The "Format" column contains the value "TRK-H10301". The "Facility code" column has an input field with the value "99". The "Credential number" column has an input field with the value "1". Below the table, there is a warning icon and text: "You will receive 20 user licenses for a trial period of 90 days. Please note that in order to use the HID Origo Mobile Identities service, you need to have installed mobile-enabled HID Signo or HID iClass SE readers." At the bottom of the modal, there are two buttons: "MAYBE LATER" and "START TRIAL", with the latter highlighted by a red box. The background of the portal shows a sidebar with "Mobile Identities" and "Users" sections, and a main content area with "Licenses" and "Mobile IDs" sections.

Format	Facility code	Credential number
TRK-H10301	99	1
