Precise holder JDMW - 900 AR

Precise holder JDMW - 900 AR

Mast 2.7 - 4.7 inch
Stožár 70 - 120 mm

Tighten with tool
Utáhnout nástrojem
1x 360°

Mast 1.65 - 3 inch
Stožár 42 - 75 mm

Tighten with tool
Utáhnout nástrojem
1x 360° + 180°

Tighten nuts by hand to fix holder on the mast.
Then tighten them by tool with adequate number of swirls according to schema.

K upevnění držáku na stožár utáhněte matice ručně, poté pomocí nástroje dotáhněte každou matici o příslušný počet otáček dle uvedeného schématu.
