1. Register

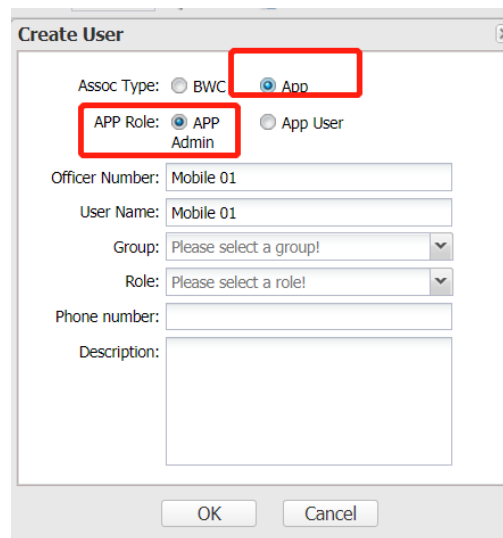

Device registration

1. Admin registration

Login the web page; go to user setup page to add the user, System setup=>User

setup=>Create user; Device type: BWC Mobile;

Role: Admin; enter officer number, user name, role, phone number, then "ok"

The 'Create User' dialog box shows the following configuration for Admin registration:

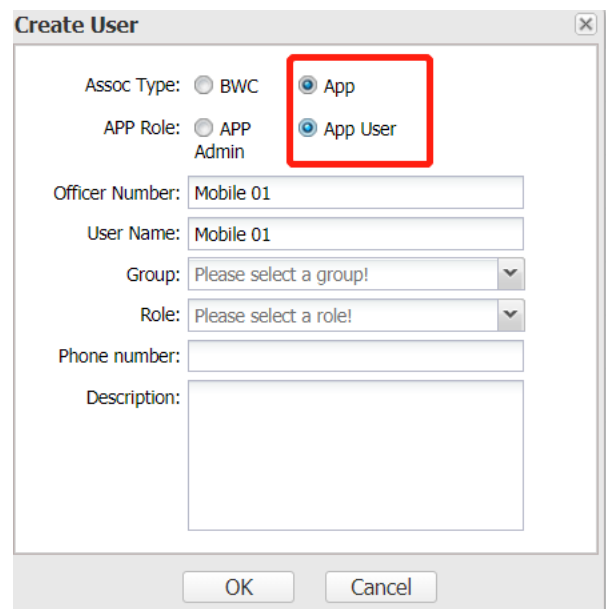

- Assoc Type: ☒ BWC ☒ App
- APP Role: ☒ APP ☐ Admin
- App User: ☐ App User
- Officer Number: Mobile 01
- User Name: Mobile 01
- Group: Please select a group! (dropdown)
- Role: Please select a role! (dropdown)
- Phone number: (empty text field)
- Description: (empty text area)

Buttons: OK, Cancel

2. User registration

System setup=>User setup=>Create user; Device type: BWC Mobile,

Role: Normal users, enter officer number, user name, role, phone number, and then click "ok";

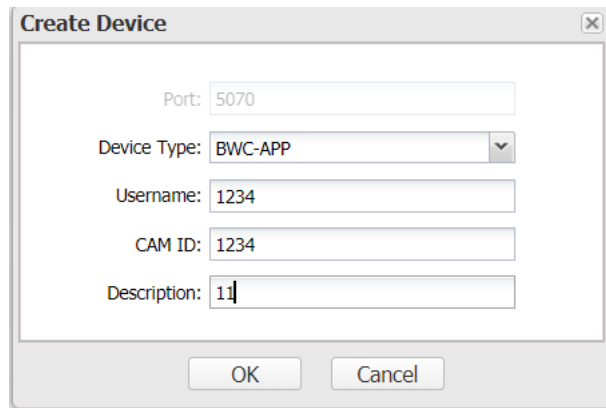

The 'Create User' dialog box shows the following configuration for User registration:

- Assoc Type: ☐ BWC ☒ App
- APP Role: ☐ APP ☒ Admin
- App User: ☒ App User
- Officer Number: Mobile 01
- User Name: Mobile 01
- Group: Please select a group! (dropdown)
- Role: Please select a role! (dropdown)
- Phone number: (empty text field)
- Description: (empty text area)

Buttons: OK, Cancel

3. Device bound

System setup=>Device bound=>Create=>Device type"BWC-APP",
enter username, CAM ID(any number), then click "ok"

A dialog box titled "Create Device" with a close button (X) in the top right corner. It contains five input fields: "Port" with the value "5070", "Device Type" with a dropdown menu showing "BWC-APP", "Username" with the value "1234", "CAM ID" with the value "1234", and "Description" with the value "11". At the bottom are "OK" and "Cancel" buttons.

2. Login

1.APP login

User ID and password both are username (when you create a user, you need setup this user name)

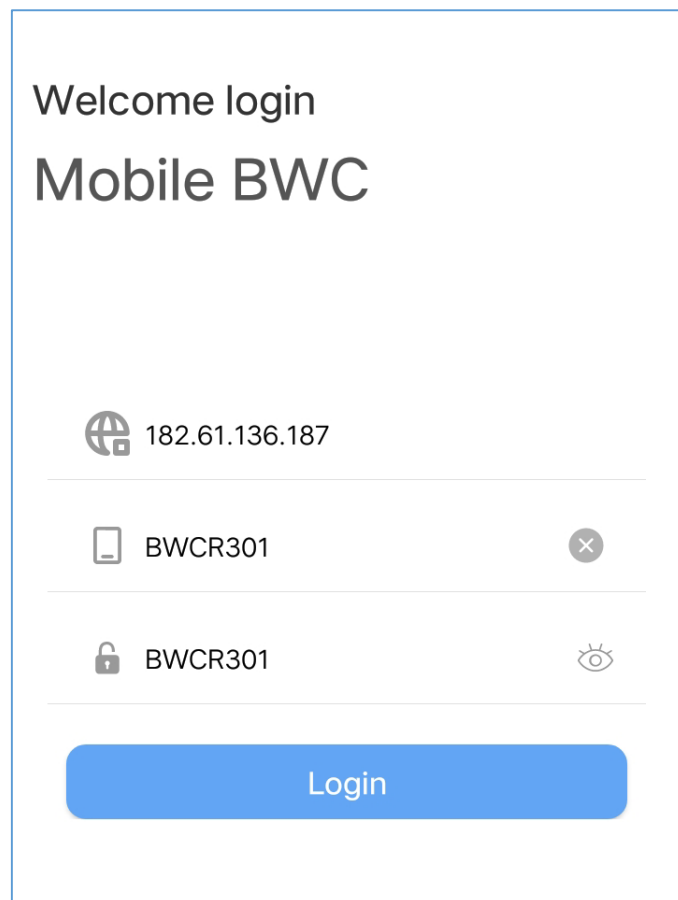

2.Platform login

User ID and password both are username

3. APP operating guidance

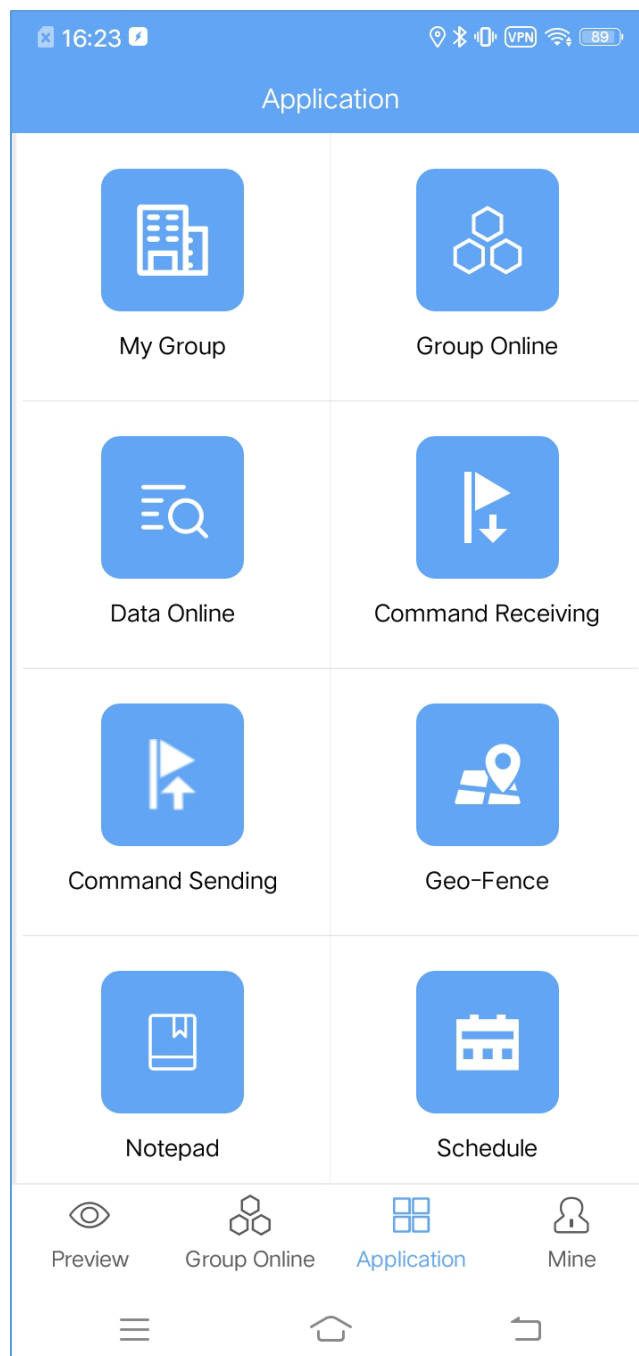

1.User login

Enter server IP address, Username and password

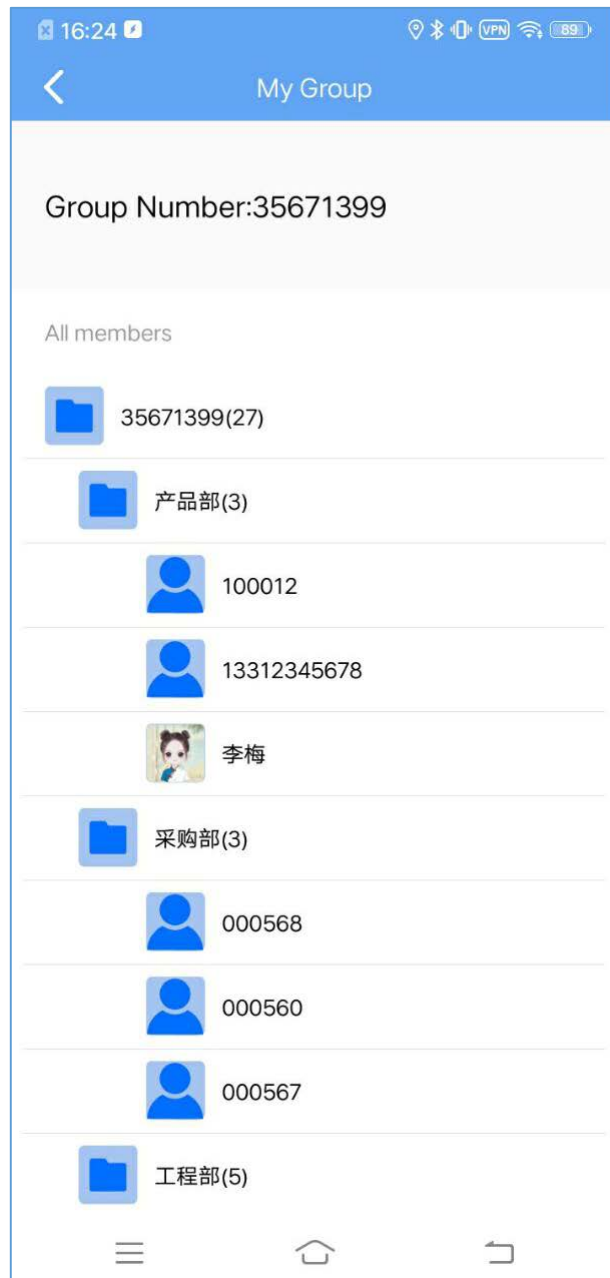

A login screen titled "Welcome login" and "Mobile BWC". It features three input fields: the first for IP address with a globe icon and the value "182.61.136.187"; the second for device ID with a mobile phone icon, the value "BWCR301", and a clear button (X); the third for password with a lock icon, the value "BWCR301", and an eye icon to toggle visibility. A large blue "Login" button is at the bottom.

2. Workbench page

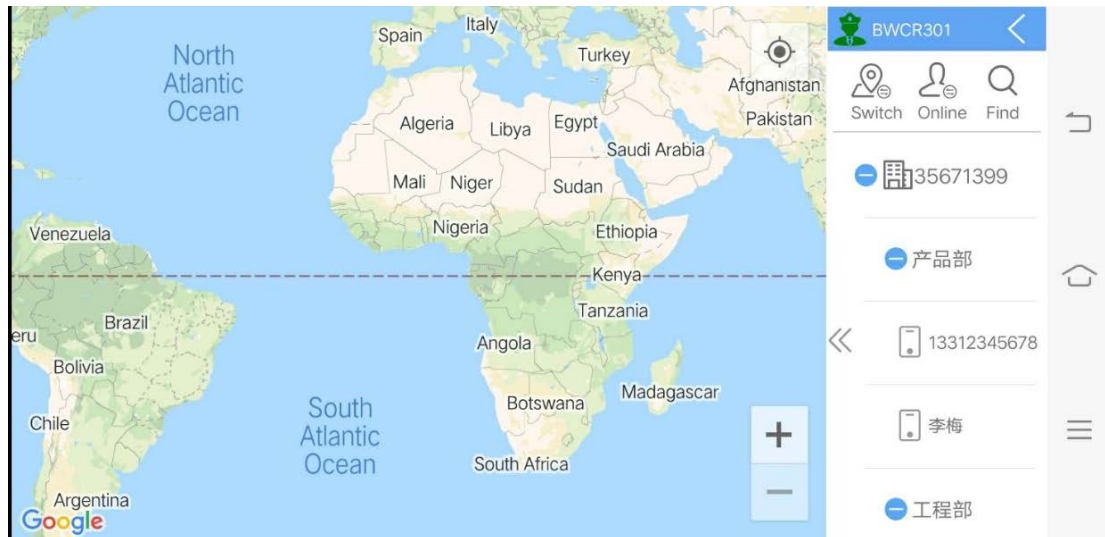

2.1 My group

Shows all members

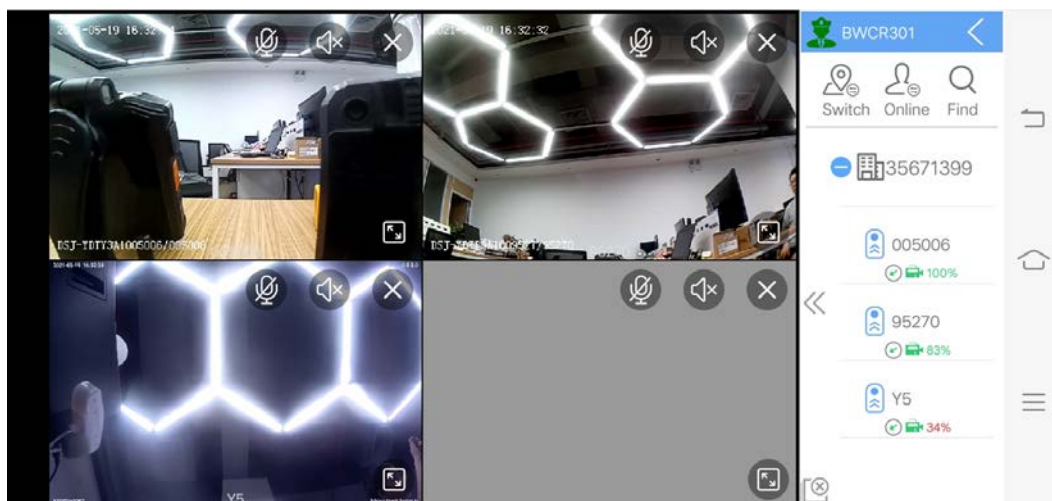

2.2 Group online

Admin can perform video monitoring for online users, On-demand monitoring of real-time images of 1~4 online users (bodycam or mobile phone users); zoom in/out, mute, and close single/all screens of the monitoring screen; view the current location of online members.

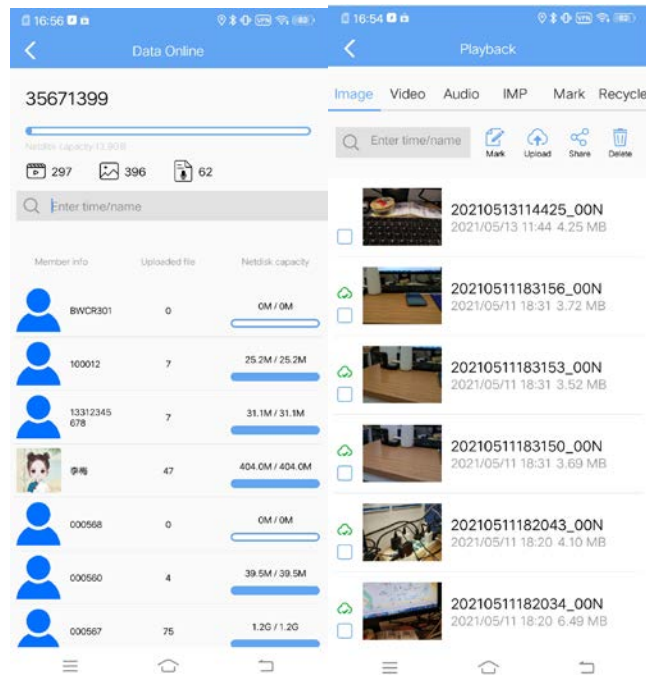

- (1) Show current location of online users
